

## Travel Directions to Dalian via Narita Airport in Japan

As your Vancouver to Dalian Japan Airlines (JAL) flight includes an overnight stay in Tokyo (Narita) at the Nikko Narita Hotel, pack overnight items in your carry-on luggage. In this way, you can check your other luggage through to Dalian and do not need to handle it in Narita.

In Narita Airport, proceed to Immigration. Have both cards filled in that were provided on the plane, complete the back of the card as well.

After clearing immigration you need to make a choice.

IF you want to go straight to the hotel proceed out of the terminal to Bus Pick-up # 33. Wait and board the bus for Nikko Narita Hotel (first stop) and check in at the front desk. A breakfast coupon will be provided for the next morning.

IF, HOWEVER, you want to have supper at the airport, before going to the hotel, take an elevator up to the 3rd floor and then an escalator to the 4th floor, where there are several restaurants. Dinner prices at the hotel are quite steep compared to some of the restaurants at the airport. International ATMs are available at the airport, but not at the hotel. The hotel will exchange USA dollars but not Canadian into Japanese currency.

If interested in going into Narita, a hotel-Narita bus service is available. Schedules are available in the lobby of the hotel. The hotel clerks speak some English and can assist you, as well.

Helpful Pointer: Hotel Remote - Use the top right hand button in green area at bottom of remote to change CNN to English.

Make sure that you give yourself enough time the next morning to enjoy the breakfast before you catch the bus. Check out of the hotel. When you checked in the previous day, you received a schedule of bus departure times for the airport. When you board the bus, put your carry-on luggage in the storage compartment underneath, **but make sure that you have your passport** as security staff will board the bus to check passports as the bus enters the airport grounds. Exit the bus at Terminal 2 (first stop).

Once inside the airport terminal - check in at one of the JAL counters on Level 3 (the level at which you entered the terminal) and then proceed through security, customs, etc. Have a good flight to Dalian! Fill out the Chinese immigration form provided on the plane. For the address of where you will be staying, simply list the name of the school where you will be employed.

We look forward to welcoming you to Dalian and to China!
